Here are a few photos from the trip.

This is one of the many baptisms that have happened during the first week of studies. Beau Burkhalter led the study that ended with this woman being baptized

As you can see the Children's Seminar went very well and the boggins were gladly received by the people in Africa. Terri is looking at clothing being made on treadle machines sent over by the North Tuscaloosa congregation to help women learn to sew and be able to help support their families. Sherry is leading a Bible Study and the men are at the lumberyard getting supplies when children showed up to say hello.
